

FINDING MY PARKING SPOT

“Cubus” visitor parking of
the SLV Lighting Group

Navigating from “am Seestern”, turn to the left into the “Niederkasseler Lohweg”.

After about 100 m turn right behind the sign onto the “Cubus” premises.

Entering the parking area, you continue driving straight ahead towards the “Cubus” building.

You will get to this **crossroad** and can either go **left** or **right** to the visitor parking.
(left: 1 parking space; right: 7 parking spaces)

Taking the **left lane**, you will find the visitor parking slot opposite the main entrance of the building.

Taking the **right lane**, please **continue driving** past the underground car park.
(which is not available for visitors)

In front of the “Cubus” main entrance, you will find one of our visitor parking lots with **the number 22.**

Taking the right lane, you will find the parking slots on the left-hand side. For your visit, you can use the parking spaces with the **numbers 60-66.**

The **SLV Lighting Group** visitors **parking spaces** are marked with our **company logo** and **our numbers.**
